Subject: Re: GNBT

Our patience is exhausted. If it is not filed before the end of the week we will have to proceed with default judgment

As discussed, Discover will refrain for two weeks from exercising any rights under Section VI of the Purchase Agreement. We will not waive any trigger events or defaults, and all rights are expressly reserved.

Hopefully the company will cure the defaults within the time provided, and the relationship can return to some semblance of normalcy. Thank you for your assistance.
